Introduce your company to the audience at the podium	✓	✓	

General Sponsors will select the Sponsorship level (Switchgrass, Bermudagrass, or Fescue) at registration. These are listed as “**Available Products**” on the registration page. You will get 1 or 2 full registration(s) for a General Sponsorship. If you purchase an Available Product for a General Sponsorship, there is no need to purchase an “Available Ticket” at registration unless you have additional employees that need to register.

General Sponsors must make known at registration if they need an exhibit table.

Note: There is also an option in the “Available Products” for a sponsor to donate in any amount. These sponsors will be provided a General Sponsorship based on the amount of the donation (i.e., a \$500 donation, Fescue; \$1,000 donation, Switchgrass).
